Good Morning Anna

CC CE Geoff Williams, Glenys Searancke

Thank you for these documents. I am consulting the Executive of the Rotorua District Residents and Ratepayers Association.

In the interim, I object most strongly to the note on p.2 the Draft Recommendations that indicates that Shirley Trumper appeared on behalf of the Rotorua Residents and Ratepayers Association. The proper name of our organisation is the Rotorua District Residents and Ratepayers. Shirley Trumper does not represent our interests. We have very little confidence in her and nor does the public. At the last election she gained 3,148 votes as councillor candidate, coming 26th on a council of 10, and 1,499 votes as a candidate for the Rural Community Board. The six RDDR-endorsed councillor candidates polled over 42,000 votes averaging more than double her vote.

With respect, the entry should read:

Rotorua District Residents and Ratepayers: Reynold Macpherson

Please confirm that this requested correction has been drawn to the attention of the Commissioners and the correction made in the interests of veracity. If the correction is not made then RDRR will notify the public that the claim that Shirley Trumper appeared on behalf of the RDRR is **fraudulent**.

Thank you,

Reynold
