

Rānui Domain Playground Concept Design

Feedback must be received by **06 November 2023**

The Henderson-Massey Local Board aims to deliver a significantly upgraded and renewed playground at Rānui Domain. This upgrade will consider connections between the play space and carpark, provide shade provision and improved accessibility for all users.

In November 2022, we asked the Rānui community what play experiences and activities they would like to see at Rānui Domain. The play space concept plan has been developed based on that feedback.

Now, we want to know what you think of the proposed concept design.

We are aiming to construct this play space late 2024.

We encourage you to give feedback online at akhaveyoursay.nz, or you can:
