

YOUTH ART COMPETITION

Create an artwork inspired by your vision for the future for your chance to win 1 of 3 art supply prize packs!

"In 2043, I imagine living in a place where..."

This could include things that depict the following

- Built environment (buildings, transport, infrastructure)
- Natural environment (fauna, flora, habitat, environmental areas)
- Community (the community, wellbeing, lifestyle, social networks)
- Economy (jobs, growth, wealth, prosperity of our region)
- Governance (community engagement, how decisions are made, leadership, partnerships)
- Other (whatever else you imagine)

What is Your Region, Your Vision?

Your Region, Your Vision is an opportunity to share your vision for the future of the Central Highlands – what do you love, where do you see our community going, what needs to change?

This is a chance for the community to create and document a 2043 vision for the Central Highlands, and a vision for each of the 13 communities in the region.

Together we can act on the aspirations, priorities and ideas that come from the community vision.
