

# YOUR ART ON BINS!

As part of the Lismore Laneways revitalization project, Lismore City Council in collaboration with the Back Alley Gallery are calling for your art on new bins to be installed in Carrington Street.

Residents within the Northern Rivers are invited to submit their designs to be digitally printed and installed on the side panels of the three new bins.

The competition is open to all ages and artistic levels living in the Northern Rivers Region. Community groups, designers as well as families, professional or first time artists, school students, kids and elders can all get involved.

We are looking for artwork that reflects the character and uniqueness of Lismore, the only restriction being that the designs utilise the provided colour palette, which will compliment and be coherent with the new creative way finding strategy.

The winning designs will be printed by Lismore Sign Shop and installed onto the sides of bin cabinets as part of the refurbishment of Carrington Street.

Specifications for shape as well as colour palette is provided below.

Entries should be submitted as high resolution pdf or jpg files via the below online form.

(Please retain original artwork to be scanned if needed.)

6 winning designs will be chosen by representatives from Lismore Laneways Project & The Back Alley Gallery.

**Entries close 4 June 2021.**
