

BEELIAR 25th BIRTHDAY MAGNETS

Project name	Beeliar's 25th Birthday Bash Present
Amount requested	\$1,250 out of \$1,250
Applicant	Jo Forward
Auspiced by	Beeliar Community Voice
About the project	<p>We would like to celebrate Beeliar's 25th year anniversary by hosting a community birthday celebration on Beeliar Oval and create a lasting memory of the event by commissioning a mural on the outside of Beeliar Community Centre. Like all good parties there will be plenty of food (food trucks), entertainment (facepainter, busker, giant games, bouncy castle, photobooth) and cake.</p> <p>For Cockburn Creates, we hope to use the image of the new mural from the community centre to produce commemorative magnets that will be distributed by volunteers to Beeliar residents. These will include useful phone numbers including Cosafe, Rangers and our contact details.</p> <p>We would love to give these to the community as a "present" and as a method of marketing our group and celebrating our suburb. As they will contain useful phone numbers and BCV contact information residents will find them very handy and useful and will keep them on their fridges for years to come. They will also be a visual reminder of what the community can achieve if they work together and represent the connections built and the legacy of relationships that we helped to foster.</p>
Who will benefit from the project?	<p>The residents of Beeliar will benefit as they are gaining useful community contacts that they can use. There are over 2500 houses in Beeliar. All will receive one as we will use volunteers to distribute to the whole suburb making sure no house is missed. We will also give some to the local schools and business to help us engage with them.</p> <p>BCV will also benefit as the magnets will promote our group year after year and help us to engage with our community as it continues to grow and change.</p>
Summary	<p>You're invited to Beeliar's 25th birthday celebration. Like all good parties there's food, entertainment, games, cake and the official unveiling our new community mural! To remember the event and promote BCV we need funds to create useful phone number fridge magnet "presents". These will be given to the Beeliar community to show what we can achieve if we work together.</p>

BUDGET

Magnets	Mister Magnets	1276		
Distribution	Volunteers to be used to distribute magnets to the whole of Beelias
