

## COOGEE GARDENS

Project name	Coogee Gardens
Amount requested	\$10,000 out of \$28,200
Applicant	Vicki Hoskin
Auspiced by	Coogee Primary School P&C
About the project	<p>When: Sept/Oct 2018 Where: Coogee Primary School, 22 Mayor Rd, Coogee</p> <p>Coogee Gardens is a project from the grass roots up, creating a tactile, sensory environment for all that will result in an inclusive and engaging 'Reduce, Recycle and Re-use' learning environment. This will include developing a vegetable garden, bush tucker garden, fencing, reticulated garden beds and a lockable shed. Followed by a worm farm, compost system, and chickens.</p>
Who will benefit from the project?	<p>The number of people it can reach out to is endless. Coogee PS have 60 staff members and 500 students. This project will benefit the students and the entire community including families, carers, surrounding neighbours, ex-students and their families. Significantly, our Coogee Gardens Project provides opportunities for community involvement by providing a link between our youth and older generations. Creating partnerships between the retired residents of our local Caravan Parks , local Aged Care Facilities such as the Aegis Amberley Aged Care on Mell Rd.</p> <p>Potential partners: Bunnings, retired residents at Woodman's Point Caravan Park and Coogee Caravan Park. Coogee PS and P &amp; C. Local Senior Citizens.</p>
Summary	<p>Coogee Gardens is a project from the grass roots up, creating a tactile, sensory environment for all that will result in an inclusive and engaging 'Reduce, Recycle and Re-use' learning environment. This includes our students, teachers, parents and the wider local community volunteering and working together to develop new skills and a sense of belonging to our 'Cockburn Creates' community.</p>
