

Mackenzie District Council gives public notice as required of its decision on 10 December 2024 under Clause 8D, First Schedule Resource Management Act 1991 to withdraw the following rules from Plan Change 23:

GRUZ Standard 1.3 (c); and

GRUZ within Eastern Plains SCA-13 Standard 1.5 (c) and 1.6.

This is for the following reasons:

To remove the minimum lot size from existing sites where there is a reasonable expectation land owners can construct a dwelling; and

Noting that the subdivision rules retain a minimum lot size to manage the creation of new lots.
