Honoa Hapori Community Connections Service

Tell us what you think by **5pm Friday, 18 October.**

The Honoa Hapori Community Connections service aims to provide better accessibility to Whakatāne District Council services in remote communities. Our goal is to bridge the gap between outlying communities and Whakatāne by providing two specially equipped vans that will serve as mobile hubs of engagement, provide information and some Council services. We need your help to design this service.
